

Donate today. Change lives tomorrow.

Our mission.

Ensure every child is given equal opportunities no matter the obstacles in their lives.

Who we serve.

Not all starting lines are created equal. From shelter, clothing, and food security to educational resources, critical medical conditions, and human trafficking, each of our chapters provides children in their communities with the resources they need to cross the finish line.

13k+

kids served last year.

20

2024 grantees.

\$90k

granted in 2024.

\$185k

granted since 2022.

The process.

Application

Charities seeking aid fill out the application **by August**, and if approved, receive grants that **same year**.

1

Personal visit

A member of our board **personally visits** prospective charities. We ensure our **missions align**, and the funds will be used effectively.

2

Grant approval

After thorough vetting, our board of trustees **vote** to determine **grant recipients**.

3

Give a little. Help a lot. Donate now.

The Elizabeth W. Murphey School serves children that are in the deep end of the foster care system. They come from lives of trauma. The Speedway Children's Charities Dover chapter grant will allow them childhood experiences like many of their peers in school.

These funds allow us to support them in community sports, swimming lessons, musical lessons, and other recreational events that many have never experienced.

The work done by your crew is precious to the children and much appreciated by our staff.”

- Elizabeth W. Murphey School, Inc.
